

**JAYA ROW**

Jaya Row is one of the world's most influential speakers on Indian philosophy, Vedanta. She's a well-loved spiritual leader whose expositions on Vedanta touch the mind and uplift the intellect.

Blessed with a global vision and unparalleled knowledge of the scriptures, Jaya Row has the incredible ability to reach out to individuals of all nationalities, sects and faiths.

Backed by her corporate experience and 40 years of research on Vedanta, she motivates her audiences to live successful and happy lives.
